

## **Gaultheria Big Berry™ WINS the prestigious FloraHolland Award 2009**

The biggest Flower auction of the world: FloraHolland announced on the 8<sup>th</sup> June, that Gaultheria Big Berry, from Syngenta Flowers, has won the prestigious FloraHolland award 2009 in the category garden plants. The FloraHolland award is recognized as the Oscar in the horticultural industry.

As the Gaultheria Big Berry is one of the most important perennial species in the Syngenta Flowers breeding program, it is of major importance that, out of many nominees', it has won this prestigious award.

Our Gaultheria Big Berry™ is recognized by the jury as unique, because of the fact that it differentiates from the standard Gaultheria's on the market on:

- ✓ **20 eurocent sized Big Berries**
- ✓ **Increased visibility of the berries**
- ✓ **Many berries which stay on the plant for months**
